Highlighting & Annotations

Most PDF readers allow you to add sticky notes or highlight text. Use color coded annotations: yellow for dates, blue for key figures, and green for themes. This visual system speeds up revision.

Flashcards & Practice

Export the highlighted text into flashcard apps like Anki or Quizlet. The spaced repetition feature helps cement facts and dates. Additionally, use the built in practice questions at the end of each chapter to test your knowledge.

Common Mistakes to Avoid

- Relying solely on the notes and skipping the textbook.
- Ignoring primary source excerpts that often appear in exam questions.
- Over memorizing dates without understanding the broader context.

- Downloading from unverified sites, which can lead to malware or incomplete files.
